Weatherproof TV & Display Enclosure

Fits 40-80" Televisions & Digital Monitors

The TV Shield *PRO* Lite ® is a low cost protective TV enclosure built using lightweight aluminum for ultimate strength and durability. Perfect for indoor TV protection, or outdoor applications that need strong screen defense rather than full weather-proofing, this cover is ideal in high traffic buildings, institutional environments, schools, hospitals and more. The unit's base frame bolts to the wall, while the enclosure attaches to the base frame using a high strength security screw system for the ultimate defense against removal from the wall (this is an open back design). The TV Shield *PRO* Lite ® features .177" thick ultra-clear shatterproof polycarbonate for the front shield and a .25" thick aluminum front frame. This protective TV and digital display enclosure will hold up in the roughest and toughest environments including federal correctional institutions.

ROBUST - The TV Shield *PRO* Lite's ultra-clear cover (shield) is manufactured using shatter-resistant Lexan ® polycarbonate, the same material used to produce bulletproof glass, for the ultimate screen protection. The extremely durable housing is composed of lightweight and long-lasting aluminum.

SLEEK - Imagine a Ferrari with the durability of a Tank. The TV Shield *PRO* Lite ® boasts strength, usability and aesthetic taste (and can even be painted custom colors by buyers), making it the most desirable high-end metal digital display case available.

UNIVERSAL - With the ability to fit almost any standard indoor TV or display, The TV Shield *PRO* Lite ® can accommodate televisions from 40 inches up to an industry-first 80 inches.

CUSTOM - The TV Shield *PRO* Lite ® is available in smaller and larger sizes in addition to 40 to 80 inches and can even be produced for video wall coverage.

FUNCTIONAL - The TV Shield *PRO* Lite ® offers easy installation engineering and strength to defend against vandalism, The TV Shield *PRO* Lite ® is the ideal protection for TVs and displays in high traffic locations.

MADE IN THE USA - The top quality and heavy-duty The TV Shield *PRO* Lite ® TV and display enclosure was designed, engineered and is manufactured at the King Precision Solutions manufacturing facility located in Erie, PA.
