

The TV Shield®

The Ultimate Indoor & Outdoor TV Protection

Protective
Enclosures
Company™

Enclosures for 19-60" TVs

Our universal TV enclosures are the most affordable solution for integrating a TV into almost any outdoor environment or living space.

Weather Protection

- Water-resistant sealed housing protects the TV in almost any environment
- Defends against external elements such as dust, dirt, rain and moisture
- Withstands drastic temperatures and sun exposure

Damage Protection

- Shatter-resistant ultra-clear Lexan® polycarbonate shield to protect your television
- Manufactured with high molecular weight polyethylene (outdoor plastics) for ultimate durability

Theft Protection

- Riveted hinged shield provides security from tampering
- Dual-chambered key locks add security and enable easy access
- Engineered to be theft and tamper resistant to protect against vandalism

Weatherproof TV Enclosures

Fits 19-60" Televisions

The TV Shield® is a patented weatherproof and secure enclosure designed for use with just about any standard television and with the residential consumer market in mind. Ideal for use in both outdoor and indoor areas, The TV Shield's® lightweight universal design easily opens for a direct view of your TV, allowing you to watch, protect and secure TVs in nearly any environment. The TV Shield® enclosures protect TVs and video displays in over 18,000+ residential and commercial locations worldwide.

AFFORDABLE - The TV Shield® is the most affordable TV enclosure on the market. Rather than purchasing an expensive outdoor television, you can pair our enclosures with almost any TV and mount, making it among the most affordable solutions on the market.

LIGHTWEIGHT - Our units weigh 50-75% less than our competition and are made of lightweight, yet highly durable and long lasting outdoor plastics. Our largest unit only weighs 58lbs and our smallest unit weighs 19lbs.

UNIVERSAL - With the ability to fit almost any standard indoor TV, The TV Shield® can accommodate televisions from 19 inches up to 60 inches. Our proprietary patented design mounts using any universal VESA mounting system.

VERSATILE - Whether in the open or closed position, you can enjoy watching television on your outdoor patio, pool deck or any setting you prefer.

DURABLE - The TV Shield's® ultra-clear cover (shield) is manufactured using shatter-resistant Lexan® polycarbonate, the same material used to produce bulletproof glass, for the ultimate durability and screen protection.

MADE IN THE USA - The TV Shield® television enclosure was designed, engineered and is manufactured in the USA from top quality materials.
