Testimonials

"This is a 5 year review. The enclosures protect scoring displays at a College Basketball Experience in Kansas City, MO. The enclosures installed with no issues and have undoubtedly been hit with basketballs many times over the years. The displays are truly protected." ~ Bob G

"It's probably been 10 years.... We just recently experience an eF3 tornado. The TV was under all the rubble... and the TV was not damaged one bit." ~ Anonymous

"Protective Enclosures Company provides excellent cases for TVs and displays that keep the water out, are easy to see through, and allow for flexible positioning via the tilt/swivel mount.." ~ Ryan R. Blanchard

Past Performance

County Law Enforcement Agencies

- Clark County Sheriff's Office (Vancouver, WA) - 28 anti-ligature enclosures
- Our enclosures protect TVs from high-impact threats in Sheriff's Offices nationwide

State Operated Healthcare Facilities

- Solutions deployed in public sector environments including state psychiatric hospitals
- Hawaii State Hospital: Adult Mental Health Division - 76 anti-ligature enclosures

Education

- Southwest Metro Intermediate School District #288 (Shakopee, MN) - 45 The TV Shield PRO Lite shatterproof enclosures
- Common educational TV and display enclosure uses: classrooms, lecture halls, cafeterias, libraries, gyms, outdoors, and common areas
